OVERVIEW

EXPORTING TO BAHAMAS

The Bahamas is an accessible Caribbean market with no strict vehicle age limits. Right-hand drive vehicles from the UK are accepted and import duties are levied on CIF value.

UK Car Source manages vehicle exports to the Bahamas including sourcing, documentation preparation and sea freight coordination.

IMPORT REGULATIONS

IMPORT RULES

DRIVE CONFIGURATION	Right-hand drive accepted and commonly used.
VEHICLE AGE LIMIT	No strict national age limit, however newer vehicles attract

	lower duty.
CONDITION	Clean and roadworthy condition required.
CUSTOMS AUTHORITY	Bahamas Customs Department
DUTY & VAT	Import duty calculated on CIF value. Rates vary by engine size and vehicle type.
STANDARDS	UK-specification vehicles accepted.

Import regulations are subject to change. We recommend confirming current requirements with the relevant customs authority prior to shipment.
